Step 3. Click on "Sessions That You Create Yourself"

The screenshot shows the Castle Learning website interface. At the top, there is a navigation bar with the Castle Learning logo, contact information (1-800-345-7606, support@castlelearning.com), and buttons for Logout, Back, and Home. Below this is the main heading "Review For Earth Science". Underneath, there are three menu items: "Assignments From Your Teacher", "Sessions That You Create Yourself" (circled in red), and "View cumulative progress report". Each menu item has a corresponding description of what it leads to. At the bottom left, there is a link "Back to Activities Page".

Step 4. Click "Create a New Session from a sample assignment"

The screenshot shows the Castle Learning website interface for "Sessions You Create Yourself For Earth Science". At the top, there is a navigation bar with the Castle Learning logo, contact information (1-800-345-7606, support@castlelearning.com), and buttons for Logout, Back, and Home. Below this is the main heading "Sessions You Create Yourself For Earth Science". Underneath, there are three menu items: "Create a New Session", "Create a New Session From a Sample Assignment" (circled in red), and "Review/Continue sessions that you have created (click on the date):". A link "Display for printing" is located to the right of the menu items. Below the menu items is a table titled "All Sessions That You Have Created Yourself". The table has columns for Date, Description, Questions, and various performance metrics (checkmarks, X's, CR Answered, Score, Score w/Retry, Flash Cards, Report). The first two rows show completed sessions from 03/11/15, and the third row shows a session that is "Not started". At the bottom left, there is a link "Delete checked sessions" and a link "Back to Review Page".
